

Agreement to temporary change appendix 2.2 of the CLA:

The company and the VNC hereby agree, for a period of 3 months (test phase), starting November 01, 2019 until January 31, 2020, to temporarily change section 2.2 of appendix 2 (sickness protocol) in regards of reporting sick.

The company and the VNC will implement a pilot program, whereby the employee only notifies crewing of being sick, instead of the current procedures that are in place.

The company, at its discretion, may contact the employee per phone to see if any support is needed by the employee.

The employee no longer has to notify AMS HOT DESK (line manager) by phone or email, after reporting sick.
